And the next day I dragged his body and buried him.

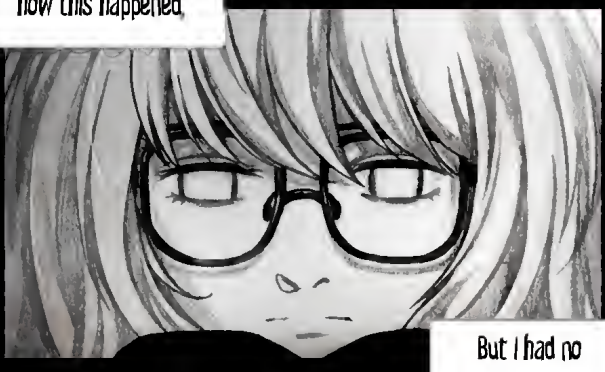
And then I stayed in that room for a whole week.

I was thinking back on how this happened.

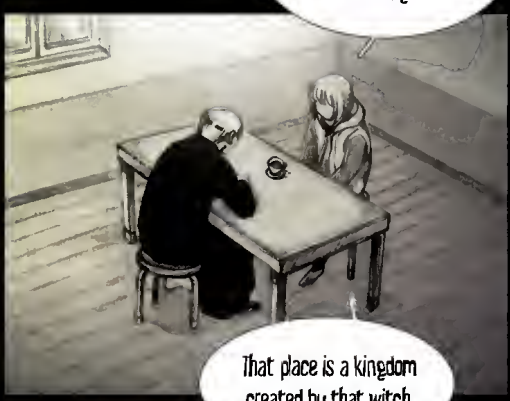


But I had no answers.

YOMANGA.CO

And then I walked outside

Everyone... acted like nothing was wrong.



That place is a kingdom created by that witch.

I found out no one can help me there, and I decided to act upon my revenge with my own hands.

Did you not think to run away? Running away would've been...

No.

YOMANGA.CO

I knew I couldn't live on my life with a memory like that.

I sometimes wish that I would've died back then.

Because...this is no way to live.

Hmmm...

Then, are you thinking of returning there?

YOMANGA.CO

My life has already ended.

It's already been a week since we got here.
I will be leaving now.
Will you be returning to that place?
Yes.
Can you face that demon?
YOMANGA.CO

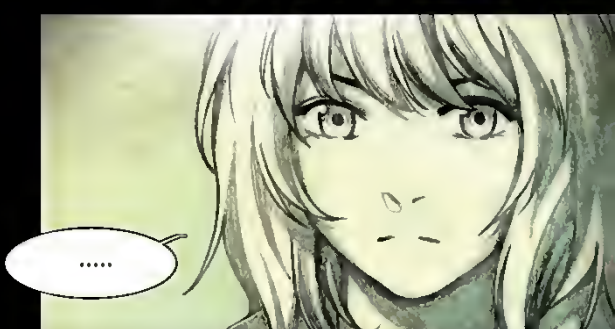
It doesn't matter.
I...can't live on like this.

No, I can't trust you.

I don't know when you will
turn into one of those things.

YOMANGA.CO

No. I've woken up
I don't know if it's because of this rosary or the meds the doctor gave me, but I am sane as I am now.



.....

YOMANGA.CO

I understand. I will be accompanying you.

I also have a duty to return Hwan from that place.

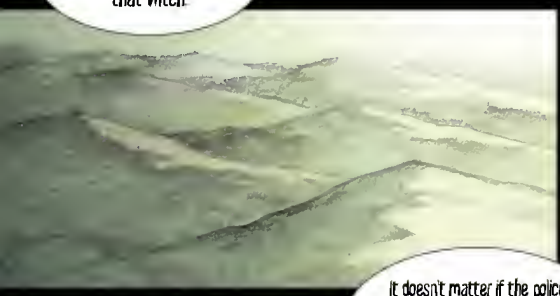
I know the most about that witch.



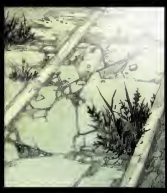
It doesn't matter if the police or the army comes in because that territory is under her control.

And, as soon as you are found out everyone will be coming after you.

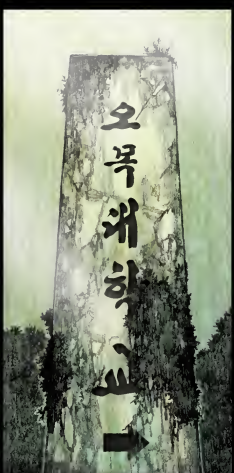
You both are men... So I still don't trust any of you.

YOMANGA.CO

YOMANGA.CO



YOMANGA.CO



Not the same place I know of.

It seems you're still sane.

Let's go.
